Texas Associates of Endocrinology and Diabetes, P.A.

Welcome to our practice!

- For your first visit, we require all important medical records and new patient paperwork BEFORE we schedule. **Your visit might be rescheduled if we do not have the records for your visit.**

- **Please bring all your medications and supplements or a detailed list to all your appointments.**

- **Diabetes patients:** Please bring your glucometer and glucose logbook to all visits. Without these, changes cannot be made, and you may be rescheduled.

- **Late arrivals of 15 mins or more** will be rescheduled to the next available appointment.

- **Missed appointments**: If an established patient reschedules or no-shows for 3 visits, we will be unable to schedule any future appointments. If a new patient reschedules or no-shows for 2 visits, we will be unable to schedule any future appointments. There will be a $25 no-show fee for same-day cancellations or missed appointments. **Please notify us 24 hours in advance if you need to cancel or reschedule your appointment.**

- **HMO insurance plans**: If a patient has an HMO plan, it is the patient's responsibility to ensure that there is an active authorization on file with us or request one from their PCP.

- We ask that every patient has a primary care physician (PCP). **General health questions should be addressed by your PCP.**

- Returning patients need to have labs performed at least 7 days prior to your appointment.

- We recommend signing up for Patient Portal. Ask us how you can set it up!

- **Prescription refills can take 48-72 hours to process after receiving the request.** Please plan accordingly. If you are overdue for labs and follow up, a one-time ONE-month refill will be sent. Please make sure labs and follow up are completed prior to the completion of the one-month refill.

- Our providers are unable to call patients or respond to multiple messages. Discussions outside of quick questions which can be answered by staff will require a scheduled appointment either telemedicine or in person to address all concerns at once.

- After hours calls and weekends are only for emergencies. Scheduling/ refill or other issues will only be addressed during business hours.

- Please note our staff is working hard and covering multiple tasks at any given time. We have a busy clinic. Any task can take up to 3 business days to complete. If it's urgent, you may need to schedule a same day appt if available.

- Please note that rude behavior of any kind is not acceptable and is grounds for dismissal from the practice. We value our employees. We value our patients. We expect mutually respectful communication. NO EXCEPTIONS.

Patient Consent and Acknowledgement of Receipt of Privacy Notice

I understand that as part of the provision of healthcare services, Texas Associates of Endocrinology & Diabetes originates records and maintains health information about me describing my health history, symptoms, examination and test results, diagnoses, treatment, and any plans for future care or treatment. I understand that this health information may be used or disclosed by Texas Associates of Endocrinology & Diabetes for treatment, payment, and health care operations. For example, my health information serves as:

- A basis for planning my care and treatment;
- A means of communication among other health professionals who contribute to my care;
- A source of information for applying my diagnosis and surgical information to my bill;
- A means by which a third-party payer can verify that services billed were actually provided;

I acknowledge that I have been provided with Texas Associates of Endocrinology & Diabetes' Notice of Privacy Practices that provides a more complete description of information uses and disclosures. I understand that I have the right to review the Notice of Privacy Practices prior to signing this consent. I understand that Texas Associates of Endocrinology & Diabetes reserves the right to change its Notice of Privacy Practices at any time and that I will be provided a copy of the revised Notice of Privacy Practices.

I understand that I have the right to request restrictions as to how my health information may be used or disclosed to carry out treatment, payment, or health care operations, and that Texas Associates of Endocrinology & Diabetes is not required to agree to the restrictions requested but if it does, it is bound by such restrictions.

I understand that I may revoke this consent in writing, except to the extent that Texas Associates of Endocrinology & Diabetes has already acted in reliance thereon.

By signing this form, I consent to Texas Associates of Endocrinology & Diabetes' use and disclosure of my health information for treatment, payment, and health care operations.

□ I request the following restrictions to the use or disclosure of my health information:
